

Agenda at a Glance

Day 1	September 22
Session 1: Setting the Stage	
This session provides context for the meeting by describing NIEHS and NIH involvement in communication, education, community engagement, and health literacy; noting how that has contributed to the discourse on EHL. It will also emphasize the importance cultural influences on the understanding of environmental exposures and their influence on health.	
9:00	Welcome
9:15	Presentations
10:00	Break
10:30	Presentations
11:30	Group discussion
12:15	Lunch
Session 2: Audiences	
This session will address the needs of different audiences. As we consider the emergence and evolution of EHL, we must examine it in the context of different purposes and different recipients.	
1:15	Presentations
2:30	Break
3:00	Group discussion
3:45	Posters
5:30	Adjourn
Day 2	September 23
Session 3: Tools & Technologies	
This session will focus on the tools and approaches that have been developed to build understanding of environmental influences on health. It will address the full range of tools from print materials to social media approaches.	
9:00	Presentations
10:30	Break
11:00	Group discussion
12:00	Lunch
Session 4: Next Steps	
The objective of this session is to consider the big picture issues for communication research in environmental health sciences and EHL. Participants will discuss opportunities and key questions to advance research.	
1:00	Presentations
2:15	Break
2:45	Group discussion
4:45	Adjourn
Day 3	September 24
9:30	Workshop Session #1
11:00	Break
11:30	Workshop Session #2
1:00	Adjourn
