**Guidance to Protect
Volunteers From COVID-19
During Natural Disaster
Response and Recovery**

Guidance Document

aiha.org

 National Institute of
Environmental Health Science
Worker Training Program

Version 1 | November 6, 2020

Summary of New Guidance Document

LAURA H WEEMS, CIH, CSP, CHMM
COMMANDER, USCG (RETIRED)

Guide Background

- Written for the natural disaster response volunteer
- Goal is to protect ALL volunteers from COVID-19

What's covered?

- Broad audience
 - Meant for all types of volunteers
 - Legal considerations are included for awareness
- Introduction to how many emergencies are organized
 - How volunteers may fit in the organization
 - What to expect when you arrive
- Ways to prevent personal exposure
- Ways volunteer organizations may protect volunteers
- Considerations to help volunteers find best fit and opportunity based on their needs

Examples of Volunteer Disaster Work
